WRIT PETITION No.27359 of 2005

ORDER:

The petitioner claims that he owns along with his family members land admeasuring Acs.1.36 gts., in survey Nos.48 and 49 situated at Gachibouli. It appears, he gave a representation to the first respondent requesting to survey and demarcate the land. Acting on the same, the second respondent issued a notice requiring the petitioner and others to be present at the site on 21.12.2005. But, when the petitioner and others were present, no survey was conducted and therefore, the petitioner filed the present writ petition, *inter alia*, seeking a direction to the respondents to survey and demarcate the land of the petitioner referred to herein above.

Learned Counsel for the petitioner reiterated the submissions raised in the affidavit accompanying the writ petition. The learned Assistant Government Pleader for Revenue (General), after getting instructions, submits that the survey and demarcation work would be completed within a period of one month from today. The same is recorded and the writ petition is disposed of directing the second

respondent to complete the survey and demarcate the land within a period of four weeks from today.

The writ petition, with the above observations and directions, is disposed of. No costs.
